

[Launch of Grimsby Morris Men CD \[1\]](#)

**Funding raised by
The National Lottery**

and awarded by the Heritage Lottery Fund

LOTTERY FUNDED

The late May Holiday saw Grimsby Morris Men dancing at the Cleethorpes Folk and Cider Festival at the invitation of Cleethorpes Coast Light Railway. This event was also the launch of our CD (pictured). The CD came about after members of the public asked us if there were recording of us available. In response to these requests we have recorded examples of all of our activities (Dancing different styles of Morris, singing, playing tunes and performing Plough Plays) over the last year or so and edited them into the CD. The CD is structured seasonally with appropriate songs, tunes and spoken word to produce a soundscape of our year.

The cover artwork was specially commissioned and was prepared by our good friend and long-time supporter of the team, Karen Devereux.
